ARC-TASTIC MEMBER

30+ YEARS

James "Jimmy" Hayes has been a member of The Arc of Laramie County for over 30 years. Jimmy says he is grateful for the Arc and all it does for him and the community.

Jimmy recalled that his mother and father were very active in the start up of The Arc of Laramie County. Jimmy said his favorite Arc events are the parties and bowling. He added that he once had a "high game" of 293 pins. Thanks Jimmy for being an active member and helping make the Arc what it is today!
